

## Digital Transformation is an Uphill Struggle for IT teams

### Why Are IT Teams Backed Against The Wall

IT teams have a lot to deal with as it is. They're under constant pressure to onboard, maintain, and upgrade infrastructure and ensure smooth day-to-day operations.

### Digital Transformation Complicates Things

Add digital transformation into the mix, and it becomes an avalanche. Digital transformation is a whole new problem—and brings with it a whole new set of challenges such as:

### No Wonder DT Initiatives Fail

According to a study, close to

**70%** of digital transformation attempts are **doomed to fail.**

### But It Isn't All Doom And Gloom

Introducing Kissflow, a low-code no-code work platform for organizations looking to streamline and expedite your digital transformation efforts.
